2. Student Profile:

Most of the students admitted here are from eastern UP and western Bihar. They come mostly from socially and economically poor/middle classes. However, they often exhibit remarkable performance.

3.Changes in Courses:

The syllabus was last revised in 1989..

4.Success rate and drop out rate:

The department has maintained a good success rate of students, often more than 90%. The drop out rate is almost negligible.

5.Learning Resources of the department:

The department is equipped with following resources for our students-

- A. Library:** For UG students, there is a central library in the institution that has sufficient number of text books and reference books
- B. Laboratory:** There is a good laboratory equipped with necessary facilities for UG students

6. Modern teaching methods: We follow classroom and laboratory teaching.

7. Academic and personal Counseling: We take keen interest in providing academic and personal counseling to our students.

8. Faculty development programmes: -

1. Orientation course - May2- 29, 2003, UGC Academic Staff College, BHU, Varanasi
2. Refresher course / winter school- on advances in indigenous dairy products, at department of Animal husbandry and dairying, Institute of Agricultural Sciences, BHU, Varanasi
