

Report on a Seminar
“Higher Education Opportunities after PG”

Jointly Organized by

1. IQAC

Shri Murli Manohar Town Post graduate College, Ballia

2. Placement Cell

And

3. Department of Educational Studies

On 01.05.2023

IQAC, Placement Cell, and Department of Educational Studies jointly organized a seminar today. The Chief speakers of the event were:

1. Dr Abhishek Kumar Singh, research Scientist, Freie University Berlin, Germany
2. Mr Shiv Srivastva, JPF, CNCL, NCERT, New Delhi

The seminar was organized to encourage UG and PG students to make their careers in higher education, particularly research work. The speakers encouraged them to pursue their careers abroad. They told about several career opportunities in research and development areas in foreign universities. The issues of fellowships, VISA, passport etc were discussed. Information regarding TOFEL, IELTS score etc were discussed comprehensively.

Several avenues in domains like petroleum and other innovative field were discussed by Mr Shiv Srivastava.

About 60 students of different streams attended the program. Several senior faculties of the college- Prof OP Singh, Prof Dayalanand Roy, Dr Santosh Shukla etc were present. Dr Gyanendra Nath Singh coordinated the program.
