

**SHRI MURLI MANOHAR TOWN POST GRADUATE COLLEGE,
BALLIA**

&

SCIENCE COMMUNICATOR GROUP

**Jointly Organized a Lecture Series on the topic
WOMEN'S EMPOWERMENT BY EDUCATION**

On

29.07.2020

In this precious program, Dr Chandrakala Singh, District Coordinator, National Children Science Congress, and Guide Commissioner, Jaunpur, was the Chief speaker.

Dr Chandrakala Singh expressed her views on the importance of education, particularly science education on the empowerment of women in modern society. She was of the view that empowerment of women is extremely necessary for the empowerment of the whole society. Further, she stressed upon the fact that well educated women are necessary for a well educated society.

Dr Anil Kumar Tripathi, Science communicator, Deoria and Dr Nisha Raghav, Head Department of Botany organized the program.

Dr. Nisha Raghav
Department of Botany
